HOW DOES THE NOMINEE SUBMISSION PROCESS WORK?

If you are nominating your own business, your favourite business or the business you work for, please complete the express nomination form by the deadline date, Sept. 14th. Your nomination will then be forwarded to the nominee for completion.

All businesses that are nominated will get notified with a visit from a Chamber staff member or a phone call, for the opportunity to accept or deny the nomination. If the business is a Chamber member in good standing order, they decide to go forward, by choosing a category that best suits the activities within their business, and move into the questionnaire stage.
